Offering an alternative to unemployment for the homeless and jobless
Providing instruction, guidance, mentorship, empowerment for online job

Giving A "Hand Up"

COMMUNITY ONLINE WORK CENTER

SEEK, FIND, APPLY AND ACQUIRE FULL TIME/PART TIME ONLINE JOB

LEARN WHAT IT TAKES TO START YOUR OWN BUSINESS
(should that be in the program participant's plan)

Persons experiencing homelessness and joblessness have access to public computers for a maximum of 2 hours. Many people have computer skills and have what it takes to be working for an employer online. Participating in the Onward & Upward, Inc. Community Online Work Center allows for online, steady employment.

There are 1000's of real, legitimate online jobs for people ages 16 and older; for various education and skill levels; in a variety of jobs for many different types of industries.

VIABLE Alternative To Unemployment

ONLINE EMPLOYMENT SOLUTIONS

At the Community Online Work Center, the program participants receive instruction on the techniques to use when seeking and finding the right online job opportunity that best matches their education level and skill sets. Then, they are meticulously guided throughout the application process, up to and including the job interview(s).

Once a person has accepted a job offer to work for an employer online, they work at the Community Online Work Center, performing the online job tasks for as many hours as their shift dictates, earning a steady paycheck. While they are working the Center, they get:

- Mentorship for managing money
- Empowerment for housing, food and clothing
- Daily encouragement and job coaching (if needed)
- Plan for independence
- 6 months after employment

CUSTOM SOLUTIONS

Each participant is given an opportunity to map out a career path. This makes the online job position much more than “just a job.” It becomes a means to an end resulting in a career.

ONLINE EMPLOYMENT SOLUTIONS

Participants are given all the instruction, guidance, encouragement, empowerment and tools needed to work online. They are furnished with a laptop computer, reliable internet and a headset (if needed).

MENTORSHIP

Participants are provided mentorship to be an encouragement and empowerment for the times of feeling discouraged and for the most effective money management needed in order to secure own residence and be financially sustainable.

OFFERING A “HAND UP” FOR INDEPENDENCE

Working an online job at the Community Online Work Center provides a person with the employment needed to have the money for shelter, food, clothing and whatever else for a lifestyle of safety, security and sustained financial independence. Someone who was once dependent on the system is now a contributor to the system.

ONLINE JOB APPLICATION MANAGEMENT

Onward & Upward Inc. Community Online Work Center staff have the knowledge, experience and skills it takes to secure and advance in online employment. This knowledge is passed on to the participants of this program.

Participants of this program are instructed, guided and empowered to seek, find, apply and get their online job working for a steady paycheck. They are also given the instruction as to where on the internet it is possible to find, select and do mini jobs.

ONWARD AND UPWARD, INC. Community Online Work Center

This is the place where peoples' lives and lifestyles are forever transformed. They go from being dependent on tax paid services to being a tax payer.

With instruction, daily encouragement and empowerment, people will work online for their employer, earning a steady paycheck AND learn what it takes to start a business and sustain it financially (should someone be interested in owning their own business).

With money management, people will have the funds needed for a place to live, food and clothing and will have the knowledge and tools to live a sustainable, safe and secure life.

New way. New day. New life.
